Why Partner With IndiAirport 2026?

India's aviation sector is entering its most transformative decade — and IndiAirport is at its center

India's Aviation Growth Story

- 200+ new airports planned, backed by a \$100 billion investment pipeline
- Targeting 1.5 billion annual passengers by 2030
- Emerging as one of the world's fastest-growing aviation markets
- Strong participation from German, Italian, Gulf, U.S. & European companies alongside leading Indian firms
- Gujarat positioned as a major hub — Dholera aerospace SIR, greenfield airports & UDAN expansion
